Tuesday, July 20, 2010 Chapter Meeting Notice

Business Continuity in a Virtual World

Jim Russ, Vice President of Enterprise Technology at Nth Generation Computing has over 25 years of experience working in IT. Join us to find out how traditional IT environments, platforms and methodologies can be integrated and simplified with virtualization, cloud computing and the latest storage technologies.

Jim has worked with Nth Generation for the past 16 years playing key roles including, Solutions Architect and Nth University Class Instructor. Jim earned his degrees in Electronics Technology from DeVry University and Micro Computer Design from UCSD. He is a certified HP Master ASE - SAN Architect with extensive architecture experience in Storage Solution Design, Enterprise Backup Solutions, Disaster Recovery Planning, High Availability Computing platforms, Server Consolidation and Virtualization, and Network design. A sampling of Nth Generation customers include SAIC, Jack-in-the-Box, CareFusion, County of San Diego, CB Richard Ellis and The Irvine Company.

Nth Generation is locally based in Rancho Bernardo and has been providing technical consulting and IT infrastructure solutions for enterprise-class organizations since 1987.

Remember the Raffle!

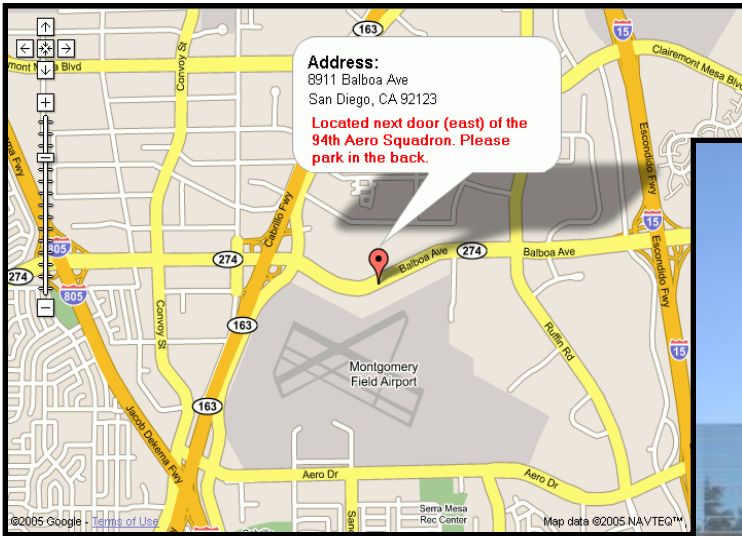

Following the main presentation, all ACP members in attendance will be eligible to win a full seminar pass for the upcoming Fall World Disaster Recovery Journal conference held locally at the Harbor Island Sheraton September 19 thru 22nd - it could easily be you!

Meeting Date: Tuesday, July 20, 2010

- 11:30 – 11:50: Registration & Networking
- 11:50 – 12:05: Lunch & ACP Business
- 12:05 – 12:15: Rapid Reach Product Overview
- 12:15 – 1:30: Business Continuity in a Virtual World
