

**ACP Visitor Requirements at Spectra Energy  
5400 Westheimer Court  
Houston, TX 77056**

Parking

Directions – see separate map. HOWEVER, instead of turning on Westheimer Court, turn on the street just past Westheimer Court to access Spectra's parking.

Parking

ACP meeting attendees must pass through Spectra's gate (entrance from Yorktown, just pass Westheimer Court) where a security guard will check each attendee's name against the RSVP list provided by ACP.

Once cleared by gate security, ACP attendees can park in visitor parking available in the east parking lot or in the visitor parking area in the breezeway drive between the building and the garage. In addition, public parking is also available on Westheimer Court.

*Westheimer Court, the street in front of the Westheimer Building, is a public street and its access and parking is controlled by the City of Houston. Any member of the public can park where public parking is allowed on designated portions of Westheimer Court. The signs on Westheimer Court currently indicate that parking is permitted on designated portions for up to 2 hours between the hours of 7 AM and 6 PM. Public citizens would be expected to comply with applicable city parking regulations. Because this is a public parking area and not part of WO property, no WO security services or patrols are provided to this area.*

Building Security

Upon entry into the building, all visitors must check in with Security, complete the visitor registration process, and obtain their visitor identification. Security will be checking ACP attendee names against the RSVP list provided by ACP.

ACP attendees will be given a visitor identification badge/label that enables them to access the meeting room (conference rooms B&C), the cafeteria, and bathrooms. Attendees CANNOT access any other areas.

For any questions or issues, please contact Spectra Energy's host for the ACP meeting:
